

Supplemental Type Certificate

Number SA01935LA

This Certificate issued to Aircraft Performance Modifications
24 Sanford Road
Colorado Springs, Colorado 80906

*certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part * of the Federal Aviation Regulations. **

Original Product Type Certificate Number: * See attached FAA Approved Model List (AML)

Make: * No. SA01935LA for list of approved airplane

Model: * models and applicable airworthiness regulations

Description of Type Design Change Installation of external aft body strakes, in accordance with FAA approved Aircraft Performance Modifications Master Drawing List as listed on AML No. SA01935LA, or later FAA approved revision.

Limitations and Conditions:

The installation should not be incorporated in any aircraft unless it is determined that the interrelationship between this installation and any previously approved configuration will not introduce any adverse effect upon the airworthiness of the aircraft. The approval of this modification applies to the above noted airplane model series only. A copy of this STC must be included in the permanent records of the modified aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: February 1, 2005

Date reissued: February 5, 2007

Date of issuance: December 28, 2006

Date amended: April 17, 2007; August 14, 2009

By direction of the Administrator

Ronald Atnave
